Senator Harding will arrive in Washington, Dec. 5.—The sixty-sixth congress will convene at noon tomorrow at the senate session of President Wilson's annual message.

The text of the declaration as adopted by the board also was made public. It criticises the West Virginia governor for calling out federal troops, and asserted if he were true to his oath of office he could disarm private dectictives, who, it was said, are employed by the operators. Regarding the Alabama situation, the declaration said: "It is questionable whother the people of Armenia, whose If he were true to his oath of office he would disarm private dectictives, who, it was said, are employed by the operators. Regarding the Alabama situation, the declaration said: "It is questionable whether the people of Armenia, whose sufferings have shocked the world, are in any worse circumstances than the oppressed mine workers of Alabama." Numerous business matters have been before the board during its session of the fast several days, but it was said by the union officials that consideration of Alabama and West Virginia conditions Alabama and West Virginia conditions was first given at a meeting late Satur-

The declaration says in part:
"The international executive board is
appressed with the spirit of self-sacri-The international executive board is impressed with the spirit of self-sacrifice displayed by the mine workers of Alabama in their wonderful light for the
right to establish the principles of collective bargaining and comiss recognition
by the coal operators of the award of
the United States Bituminous Coal Commission. The 42,000 men, women and
children who are engaged in this stress. mission. The 42,000 men, women and children who are engaged in this struggle are suffering from the most intense persecution heaped upon them by the arrogant coal operators of that state.

Every conceivable method has been used against them—sylction from their homes, foreclosure upon their household and personal effects, false arrests and imprisonment, prohibition of the right of assemblance, denial of their statutory and constitutional rights, unwarranted treasury will transmit to congress to norm two more will tansmit to congress to norm the fact the fixed year ending June 30, 1922. Said to aggregate between four and five billions of dollars. These estimates will form the basic for the appropriation bills.

Except for the demonstration expected to attend the appearance of President-elect Harding in the senate, the opening session promises to be brief and routine. The program called only for roll calls in the senate and house, ap-

of assemblance, denial of their statutory and constitutional rights, unwarranted use of state troops in the coal fields, denunciation by an unfavorable press and a most malicious public campaign of mister and president Wilson of their contents and most malicious public campaign of mister and president will receive the notification presentation have all failed to break The president will receive the notification

representation have all failed to break their dauntless spirit.

"In Mingo county, West Virginia, a struggle of equal importance is being waged. The miners of that technitory were locked out by their employers because of their desire to organize and their request for the recognition of the principle of collective bargaining. They have waged a remarkable struggle against overwhelming odds. Despite the innumerable outrages) inflicted by the innumerable outrages) inflicted by the private army of hired gummen employed by the coal operators of that region, many men have been shot in cold blood by these modern Hessians while in a multiplicity of instances others have suffered from brutal assauits upon their persons without having redress in the law."

Vening and advise the notification committee in person and advise them regarding the delivery of his message Tuesday.
